Another enjoyable match in which the Acol Club teams performed well again. I'm sure we are all reaping the benefit of playing against these different systems.

The top scoring team for us consisted of Tonywilk, Steven_w, Madb6 and Kladenak, winning by a magnificent 22 IMPs.

You can find all the results, hand copies etc, including a few hands selected and commentated on by Poco1, at this link:- <https://drive.google.com/drive/folders/1uGj6wJV6xDH2P1M05npNKB1wmZ161SXS>
