After four challenge matches against the IAC, honours are even.

IAC won 3 of the 5 matches on Sunday, leaving the series so far at two all.

Two of the Acol teams played each other in the early slot, but all enjoyed nevertheless.

Special thanks go to Chris (orion 12) and Linda (sims) who stood in as subs at short notice.

Emily, Scott, Saleem and Irene were our best scoring team, winning by 40 IMPs against the IAC OCP team. Very well done to them!

We look forward to the next challenge on July 3rd.
